Why Legal Sales and Service Organization (LSSO)?

Legal Sales and Service Organization (LSSO) is the go-to organization for education, ideas and networking focused solely on legal sales and client service. We provide law firm business development and service professionals with the resources and strategies they and their teams need to achieve the highest levels of success.

What is LSSO's RainDance Conference?

LSSO's annual RainDance Conference is the key resource of the organization. The two-day conference is filled with high-level interactive sessions, roundtables and lively discussions with industry thought leaders.

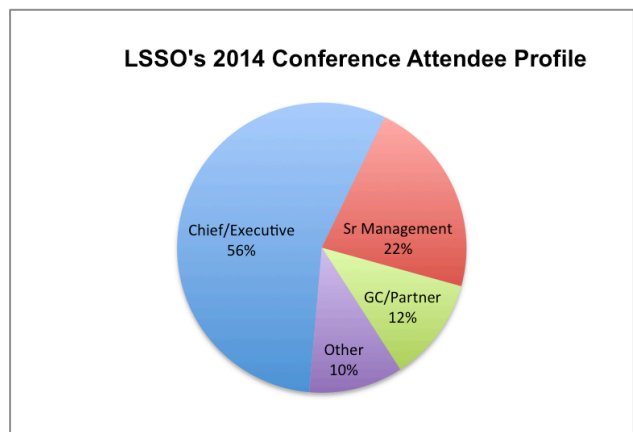

RainDance offers less of the theory and more of the practical, effective sales and service strategies for attendees to bring back to their firm and implement immediately. With an intimate setting, you can expect open and honest dialogue among the attendees about the challenges they face in meeting the demands of the increasingly competitive and evolving industry.

Who Attends LSSO's RainDance Conference?

RainDance is for firm leaders who have significant responsibilities for client retention, client growth, new business development, client service, and process improvement strategies to shape the future of their firms.

The RainDance Conference is recognized and known for attracting the highest caliber of attendees who are often regarded as the thought leaders in their firms and those who help shape the industry.

Over 78% of the conference attendees hold the title of Chair, VP, Director or Partner. Many attendees say it is the conference they attend for their own professional development.
